

Fellow Handballers –

Here are the results from the Jim Lovell Thad Thomas Memorial State Handball Championship which was held April 21, 22 23- 2017 in Boise.

Eric Plummer is the 2017 singles champ, and Carson Taysom and Buzz Taysom are the doubles champs. Congratulations men!

The Boise club would like to thank all the competitors that traveled to Boise to participate. Your being here made our tournament that much better and we really appreciate you taking the time to join us.

Also it's very important that we thank Edie Morse. Edie does all the food prep for our tournaments. This includes, shopping, cooking, setup, take down, and clean up. Keeping that many players fed for three days is no easy task. Thank you Edie!

Also, a very important thank you to Jay and Mary Capell from the Bay area - These two have an incredible knack for seeing what needs to be done and doing it. They along with Bill and Edie are the first ones at the club in the mornings and the last ones to leave at night. Mary keeps the tournament desk running smoothly, helps Edie with prep work and Jay can be seen refereeing early matches, mopping courts before games start and helping set up chairs and tables.

Thanks to Bill Morse too. He is the engine that keeps our club running. He also does a fabulous job designing the T-shirts. This year's shirt is no exception. Could be the best ever! The logo on the shirt recognizes our handball brothers Jim Lovell and Thad Thomas. After listening to tributes about Jim and Thad at our dinner Saturday night – it is obvious; our handball community has taken a serious hit and we're forever going to miss those guys.

Sincerely,

Conrad Hofstetter

Upcoming Idaho Tournaments to keep in mind:

The Chief Doubles Tournament will be Sept 8, 9, 10 2017 in Boise.

Also next year's 2018 State Championships will be in Pocatello. Date still to be determined.

# RESULTS:

## SINGLES

### Open

1<sup>st</sup> place Eric Plummer
